

How to Save Money on Cell Phone

Look into various prepaid cell phone plans. AT&T and T Mobile have prepaid plans for about \$30 per month. Google “Cheapest Cell Phone Prepaid Plans” or look under “Pennyhoarders.com” for budgeting assistance. Apply for SafeLink (800-378-1684) or Assurance Wireless (888-321-5880) for free phones.

How to Save Money on Cable/Internet Bill

Cut your cable. Call the ACP program at 877-384-2575. They can take \$30 off from your cable bill or you can ask for Comcast Essentials \$9.95 month cable and just add on a basic cable. This should all cost under \$100 or \$0 if you get Comcast Essentials and ACP.
